Hobbies & Interests

I enjoy graphic and web design for both digital and print services, which lead me to pursue an online business in supplying my creativity and knowledge to customers.

I also enjoy photography and I am always getting better at.

Another hobby of mine is playing basketball, I used to play basketball for my school.

I am a hard working student who is currently in Year 12 with great people skills and enjoys various things in life such as the Arts with media, music and print. I am eager for a suitable part-time opportunity to increase my work experiences and earn money for my studies and personal use.

Please kindly consider my CV in your search for employees.

Thank You,

With kind regards,

Jordan Green
